

[INSPIRATION CLOSED CAPTIONING SERVICES]

A PROVEN RECORD OF SUCCESS AND SATISFIED CUSTOMERS:

HERE ARE JUST SOME OF THE
COMMENTS FROM OUR CUSTOMERS:

"INSP has become more than just captioning for us. Through hard work and great service, they have become a vital part of our post-production and syndication process."

[Rudy Landa]
Producer
Miami, FL

"The quality of service provided by INSP has the rare combination of absolute professionalism combined with personal attributes. INSP produces excellent results while working within the customer's individual realm."

[Rev. Matt Phipps]
Hickory Grove Baptist Church
Charlotte, NC

COMPLETE CLOSED CAPTIONING

WHOM DO YOU TRUST WITH YOUR CAPTIONING?

Captioning cannot be an afterthought, or an extra. It's central to every video project you produce. It represents you. It's your voice. Just in text, not sound.

[THAT'S WHY YOU NEED
THE SPECIALISTS OF]
INSPIRATION
CLOSED CAPTIONING
>>>SERVICES

WE PROVIDE EVERYTHING YOU WANT AND NEED IN CAPTIONING:

- Timely turnaround
- Proven reliability
- Results that are guaranteed
- 98% accuracy
- Integrity
- Strict confidentiality

Every project is checked and reviewed.
AND REVIEWED AGAIN!

All production is handled at our world-class production facilities. Staffed by experienced captioning professionals with superior project management.

OUR PASSION: YOUR CONTENT AND HELPING YOU ACHIEVE YOUR GOALS.

We're committed to serve you, with closed captioning that matches the tone and context of your project: For any length. Any content.

- Music programs
- Ministry programs
- Documentaries
- Movies
- Programs for children & teens
- Commercials
- Talk Shows
- Infomercials

WEBCAST CAPTIONING:

Today, millions of videos are downloaded every day on the Internet. We can provide the captioning you need to serve this growing audience . . . and make sure they get your message.

CAPTION FORMATS:

We're sensitive to your specifications and equipped for any format:

- Digital Beta
- Beta SP
- Beta SX
- DVC Pro
- DV Cam
- Mini DV
- SVHS or VHS
- PAL
- Dubbing

DVD VIDEO SUBTITLING:

We provide complete subtitling for DVD projects. Subtitles will be embedded in the video, always appearing at just the right time in the video.

PEACE OF MIND.

We'll give you the confidence that your project is in good hands. From the first conversation to the final encoding.

We know that quality control is critical. We ensure that integrity of both audio and video are not compromised as the new master is created to include captions.

We're ready to work with you, with prices that are surprisingly affordable. Call or write today for a quote on your project!
