BLUE RIDGE
THE SERIES

DESCRIPTION

Based on the 2020 film of the same name, Blue Ridge breaks the mold of traditional procedural dramas, bringing action, heroism, and heart to every investigation. When ex-Green Beret Justin Wise accepted the position as sheriff of a small Appalachian town, he expected quiet days, more quality time with his beloved daughter, and hopefully, winning back the heart of his ex-wife. Once he wears the badge, he soon realizes that the seemingly sleepy town is anything but. Longstanding feuds, disgruntled criminals, unruly travelers, and cold-blooded murders wreak havoc and threaten the safety of the citizens Justin promised to protect. The new sheriff and his two deputies must put their personal lives and relationships in jeopardy to fight the criminal forces trying to rip Blue Ridge apart.

Don't miss the season 1 premiere on Sunday, July 28th at 9PM ET.
